Nassau, the capital of The Bahamas, is located on New Providence Island and offers a variety of experiences from non-stop excitement to peaceful relaxation. Nassau is the center of industry, commerce and communications and presents a special charm which captures the elegance of the old world while at the same time incorporating up-to-the-minute modern features. Here one will find well-preserved colonial buildings, exciting attractions, duty free shopping, one of the largest straw markets in the Caribbean, thrilling land and sea sports, pristine beaches, delightful cuisine and unique cultural activities. Beautiful **Paradise Island** is linked to Nassau by bridge and has gorgeous beaches, luxury hotels and first class entertainment. **Freeport/Lucaya** is the island's capital city and the second largest city in the islands. The city was specifically designed for the tourist trade, and as a result features terrific duty-free shopping and many attractions to keep visitors entertained and enthralled. The 10-acre **International Bazaar** in downtown **Freeport** is divided into sections that represent different parts of the world, each with its own collection of shops and restaurants.
